COPYRIGHT AND LICENSE AGREEMENT

By signing this form, I/we hereby agree to the following terms for the article titled above:

- 1 Copyright ownership.** The authors retain the copyright of the article.
- 2 License to publish.** The authors grant CIR Press a non-exclusive license to publish the article and identify itself as the original publisher.
- 3 Creative Commons license.** The article will be distributed under the Creative Commons Attribution–Non-Commercial–Share Alike 4.0 (CC BY-NC-SA 4.0) license, which allows others to share, copy, and redistribute the material in any medium or format; to remix, transform, and build upon the material for non-commercial purposes, provided proper attribution is given and changes are indicated; and to distribute derivative works under the same license as the original.
- 4 Non-commercial use.** The material cannot be used for commercial purposes without seeking alternative permissions.
- 5 Share alike requirement.** Any derivative works based on this material must be distributed under the same CC BY-NC-SA 4.0 terms.
- 6 Author rights.** Authors may reuse their articles in any manner consistent with the CC BY-NC-SA 4.0 license, and are free to post their article on personal or institutional websites and repositories with appropriate reference to the original publication in CIR Press.
- 7 Archiving.** CIR Press will ensure electronic backup and archival of the published articles and website content regularly.

AUTHOR CONFIRMATION

By signing below, I/we confirm that I/we have read and agree to the terms of the copyright and license agreement as outlined above. I/we also confirm that this manuscript represents original work that has not been published elsewhere and is not currently under consideration elsewhere.
